Liv LURRA E+ 2

BEST IN ITS CLASS, THE LURRA E+ ISN'T JUST A SIMPLE HARDTAIL - IT PACKS A PUNCH

Integrated Design A simple and sleek design allows you to ride in style, with an easy-to-access battery pack integrated into the down tube of the lightweight and durable ALUXX-grade aluminum frame, for a design that looks like a traditional bike but comes with a boost. Capable and Powerful Tackle the terrain with the 130mm front suspension and go further with the EnergyPak 625Wh battery. The latest SyncDrive Sport 2 motor
